Hi Michael. I haven't heard back from my supervisor Steve Vargo for approval so I'll let you know as soon as I do. I'm on flexiplace today over in Keller. If we can do it over the phone then my number is [Personal Phone/Ex. 6] or let me know if I need to come by in person. I'll also give you a call to follow up. Thanks.

Steve, I'd be happy to go help but I leave next Monday the 17th to go to the Tribal Lands Forum and can't cancel that trip. I will return on the 20th. If we are working 7 days a week then I am available tomorrow through Sunday. I've got both 40 hour hazwopper and medical monitoring. If it works for me to go then just let me know. Thanks.

Importance: High

The REOC has been activated for the Gold King Mine Spill. This is an immediate activation of the R6 RSC.

The Region is requesting 30 EPA staff be immediately deployed to the Farmington NM area as community relations support. Deployment is for potentially a week (min 5 days deployment).

Preference is for a min of 24-hour HAZWOPER, and medical monitoring.

Please have staff, that have supervisor approval to deploy, email Michael Torres and cc Mikeal Adams and Susan Webster.

Thank you for you help! Susan
